

Aldorf, Imperial Capital
Population 105,000

This map shows Aldorf, Imperial Capital, under the rule of Kaiser Karl Franz in the year 2532. It is completely unofficial and in no way endorsed by Games Workshop Limited, or Fantasy Flight Games, Warhammer Fantasy Roleplay, WFRP, Games Workshop and all associated marks, names, races, races, magical characters, vehicles, locations, units, artifacts, illustrations and images from the Warhammer world are either ©, TM and/or © Games Workshop Ltd 2000-2010, variably registered in the UK and other countries around the world. Used without permission. No challenge to their status intended. All Rights Reserved to their respective owners.

This map was created by Magnus Sæter. It was inspired and based upon the Aldorf map created by Charles Elliot, originally published in The Enemy Within. The map is © Games Workshop, 1986. The map references material from Empire in Flames (by Carl Sargent, published by Games Workshop), Spire of Aldorf (by David Chart, published by Black Industries), Night's Dark Masters (by Steve Darlington and Jody Magers), The Enemy Within (by Jim Bambas, Phil Gallagher and Glenn Doran, published by Games Workshop), Skulds of Empire (by Eric Cagle, David Chart, Steve Darlington, Andrew Law, Jody Magers and Chris Pransky, published by Fantasy Flight Games), Eldador (by Bill King, published by Black Library), Born After Pining (by Alexander Rotman, founder in the 2009 scenario competition, released as a PDF), and (by permission) the map of the Aldorf University found in Liber Franciae IV (created by Henrik Gombosi) as well as the unofficial fan article The Imperial Capital of Aldorf (by Arne van Dam, Historics of Arcon and Aldorf Nazis). Additional Background by Timothy Eccles and Anthony Ragan. It also references locations taken from the WFRP campaign of Magnus Sæter. It also references locations taken from the WFRP campaign of Magnus Sæter. For more information, please see the companion spreadsheet, or go to aldorf.blogspot.com.
